Stunning and effective interplay

For unbridled creativity

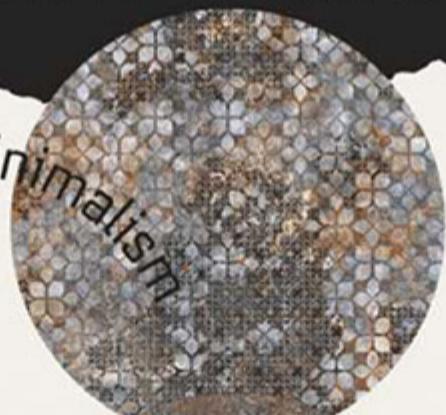

A carving effect that is seamless and distinctive but not monotonous.
Combining classical and contemporary carving styles.
Renews the look of any space.

CARVING
600X1200 MM

Refined Aesthetics

FINENESS FOR MODERN SPACES.

Chromatic minimalism

Incomparable

Strong expressive power and guaranteed elegance
are provided by a sophisticated design
that is made with close attention to detail.

НАГМОНУ

BALANCE

THICKNESS

Our collection is an impressive commitment to design and livability. Its thickness of 9mm allows it to be extremely versatile and reliable.
